

Chocolate-Almond Cookie Sandwiches

Makes 25-30 cookie sandwiches.

Ingredients:

1 batch of [Yummy Chocolate Cookies](#)

1/2 cup butter, softened

1/4 teaspoon almond extract

2 1/2 cups powdered sugar

1-2 tablespoons milk

First, prepare and cool the cookies. To make the frosting, beat the butter with an electric mixer until fluffy. Stir in the almond extract. Beat in half of the powdered sugar. Beat in 1 tablespoon of the milk. Beat in the remaining powdered sugar until smooth. Beat in enough of the remaining milk to make a frosting of spreading consistency. Spread about 1 teaspoon of frosting on the bottom of a cookie. Top with another cookie. Repeat with remaining cookies and frosting. Enjoy!
